Dear Sirs:

RE: HARBOR AREA LEASE #1920

Reference is made to the Harbor Area Lease #1920 between us dated March 18, 1963, and your letter of February 2, 1972, advising us of the rental increase.

Said Lease was entered into for the purpose of loading and unloading petroleum products over our dock and approach. The improvements consisted of one 72' x 18' dock w/8' x 144' approach w/two 4" pipelines and connectings for loading and unloading petroleum products.

On January 1, 1967, Mobil discontinued barge deliveries of petroleum products at Bremerton and shortly thereafter dismantled the dock facilities.

The Lease stipulates in part that Lessor has the option to terminate "immediately if rental not paid within 60 days or wharves not maintained and operated continuously". In accordance with the terms of said Lease, please arrange to terminate Harbor Area Lease #1920 effective March 17, 1972; reason - failure to operate continuously.

We also request reimbursement in the amount of \$124.20 for the rental payment made on February 28, 1972, for the period March 18, 1972 through March 17, 1973.

Your immediate attention to this matter would be appreciated.

Yours very truly,

MOBIL OIL CORPORATION
